

Presidents Report

It seems 5 minutes ago I was here at the Cenotaph honoring and laying a wreath in memory of those brave men and women whose heroism made it possible for us to live the life that we so, yet here I am again going to do the very same thing in 2 weeks, how time flies, why do we keep on doing it, simple, it's REMEMBRANCE DAY. I will always remember, will you? You should be thinking what can I do to better the Legion, what Committee can I take charge of, what can I do, can I at least try and make it to meetings, do I know of any Friends that might want to become Members, anything you can do will be appreciated. The Legion is holding its own so far, but it could be better, I think we need an infusion of new blood to bring more life into this place. We have a full kitchen that is getting nowhere near the use it should be getting, is it possible that a group of you could put on a Friday dinner twice a month to see how it goes. Our Lounge is also available for Parties, Birthday, Anniversaries, Weddings (small 80 people capacity), and Christmas Parties. Start booking now, don't leave it and miss out as a lot of you know our rates are very reasonable and we are always willing to try and keep everyone happy.

Now that we have new chairs we are thinking of renting the Lounge out for day time activities, if you have anything in mind let us know and we will see if we can oblige.

Come on down and have yourself a good time listening to the one and only Bluesberry Jam Showband on November 2nd, doors open 7:30 pm, show time at 8:00 pm. There are only a few tickets left so if I were you I would hurry on down to the Lounge and buy your ticket.

The next GENERAL MEETING is November 27th, until then keep REMEMBRANCE DAY in your mind, singing or humming Vera Lynne's, "We'll Meet Again" will help, if you don't know who she is ask your Parents.

I am stressing the word REMEMBRANCE DAY because November 27th is of great importance this year because we have a tremendous amount of ground to cover, this is the month when we vote on the new Executive for the year, new Committee Leaders and Team Members etc., so that we are all set to go at the beginning of 2020, we also have to finish off this year's Business. This is why it is imperative that we have a very good turnout for this meeting and get everything finished because I do not want my Christmas spoilt worrying about Business that should have been taken care of in 2019 because everybody likes to have carefree Christmas Holidays full of Good Cheer and Ho, Ho, Ho.

Christmas time is everyone's favorite time of year, mine included, and I hope that you and yours have Very Merry one and a Happy New Year!

Keep the Legion in your mind, Lest we Forget.

Art McLain, President
