

The Legion is closed until further notice due to the fact that we don't Serve Food, Personally I don't see what difference it makes just because you serve food doesn't mean people are going to eat. When we received the first memo stating because we are a Private Club we could open providing we followed the guidelines, so went back to the beginning, face masks to be worn, 6 people to a table, proof of vaccinations etc, following rules to a tee, I know I would feel a lot safer in the Lounge where everyone knows each other than I would in a restaurant where I don't know anyone.

I will keep you posted.

Merry Christmas and Happy New Year to all of you.

Cheers
