

NOTICE

As a lot of you probably know, due to the Covid 19 virus Remembrance Day is going to be very different this year both at the Cenotaph and the Legion Lounge. There will be no Parade this year and the participants involved have been cut back to the bare minimum because of the necessary need for Social Distancing, the Remembrance Party will consist of a Piper to play the Lament, a Bugler to sound Last Post and Reveille, and a Colour Party consisting of four Flag Bearers, there will also be 2 RCMP officers on site.

There will be no Roll Call of Honour, no Poem's, no addresses by local dignitaries and no Legion responses and no singing of Anthems.

There will be Two Minutes of Silence at 11:00 hrs followed by a Flyby of Blackcomb Helicopters and Glacier Air weather permitting.

Official Wreaths will be laid before the commencement of the Remembrance Day Program anyone wishing to lay a Wreath after the Ceremony should contact the Legion.

The lounge is also affected by the Covid-19 virus; we are only allowed 50% occupancy which equates to 40 people, which mean's that (judging by past years) there is going to be some disappointed people.

Preference will be given to Veterans, Serving Canadian Armed Forces, RCMP, First Responders & Legion Members, if you wish to attend either visit or phone the Legion and leave your name and phone number on the appropriate list, we will try and be as fair as we can when selecting who can attend, but you have to let us know, if you do not fit any of the above criteria unfortunately you will not be able to attend, your understanding will be appreciated.

Kind regards,

Art McLain, President Branch #277
