

BRANCH REOPENING TUESDAY, FEBURARY 1st REGULAR HOURS

Please take the time to read and the following, very important information about re-opening

After careful consultation we have been advised that the following will meet the intention of the Public Health Order as per our Environmental Health Officer/Public Health Inspector.

1. Meals available on site (Menu)
2. Established Menu (\$5 per menu item)
3. Restaurant Menus available for delivery (Catered)

PLEASE NOTE Patrons are not required to order food

As a reminder it is everyone's responsibility to comply with the following COVID 19 safety protocols that are set in place as per the Provincial Health Order

- Proof of double vaccination (QR Code)) along with photo issued government ID is mandatory in order to be allowed entrance

- Masks must be worn at all times except when seated at your table. Branch 277 has made the decision, in order to protect our membership, to have mandatory mask requirement when visiting the branch (not required when seated at a table). If you are unable to wear a mask while in the branch as per our mask requirement, we can accommodate you by serving you in other ways, such as providing off-sales as per our liquor license, with pickup and payment at the front of entrance lobby.

- Tables are arranged 6 ft apart. **Maximum 6 persons per table.** Tables cannot be rearranged as they are set in place as per guidelines.

- Guests must remain seated at their chosen tables and are not permitted to visit another table

- Masks must be worn when ordering a drink or food at the bar, using self-service pull tabs/lotto terminals. Hand sanitizer available at the bar and self-serve terminals.

Meat Draws and Events are postponed until further notice

For the health and safety of all our members if you are feeling unwell and or presenting any symptoms of COVID-19 please do not enter the branch. It is with an abundance of caution that RCL Branch 277 is implementing as part of our COVID-19/Omicron protocols that should you have been recently exposed to someone or live in a home with someone who has tested positive for COVID-19 that you do not attend the Branch until such time as the exposed person has passed the required isolation period as set forth by the PHO. We are trusting that everyone will abide by this rule on the honour system. This rule will apply to members, guests, staff and contractors.

We thank you all in advance for your patience & understanding
